

ADDENDUM TO JUNE 30, 2020 MEMORANDUM OF AGREEMENT
COUNCIL OF NEW JERSEY STATE COLLEGES LOCALS

-and-

STATE OF NEW JERSEY

1. Grant-funded employees whose base salary is funded solely through grant monies, i.e., base salary from funding sources other than those specifically provided for in the State appropriations act, shall not be subject to the furlough requirements of paragraph 1. a and b. of the Memorandum of Agreement of June 30, 2020, if the College/University determines that the furloughs could jeopardize the continuation of the grant. That determination is not subject to review. However, if the position is funded only partially by external sources, just the portion of the position funded by external sources is exempt from furlough.

2. The exemption in paragraph 1 of this addendum shall **not** apply to the 2% deferral in paragraph 2 of the MOA dated June 30, 2020.
